2018 MAZDA MX-5 RF FACT SHEET

Fastback styling, yet with an open-air feel, Mazda MX-5 Miata RF is a more sophisticated take on the world's best-selling roadster. For 2018, the newly adopted Soul Red Crystal premium exterior paint option further heightens the look of MX-5 RF's KODO−Soul of Motion design. Additionally, Auburn Nappa leather is a newly available interior color option after previously being exclusive to the MX-5 RF Launch Edition. Standard Advanced Keyless Entry and available leather-trimmed seats in MX-5 RF Club models are other notable upgrades that add to the MX-5 RF's driving experience.
